Payment

IMPORTANT NOTE:
1. In case, the candidate has made multiple payments, only the successful payment will be considered for GATE 2020 application.
2. For unsuccessful payment(s), candidates will get the refundable amount automatically.

Application form has been submitted successfully. Please click "Make Payment" to proceed to payment page.

NOTE :
For the candidate's own benefit and security, it is strongly recommended that the candidate uses his/her own credit card/bank account/debit card or those of a very trusted person only. From previous experiences, frauds are known to have happened if a candidate uses a relatively lesser known person's credit card for fee payment.
